

THE GAZETTE.

SATURDAY EVENING, MAY 11.

RADICAL PEACE SOCIETY.—The first anniversary of the Radical Peace Society was held at Masonic Hall on Thirteenth street yesterday. The creed of the society is that no human institution is worth the sacrifice of a human life, and war, for whatever cause, is wrong. As the Constitution of the United States confers upon Congress the right to make war, every Congressman who votes for war authorizes murder, robbery, theft and piracy, and every one who votes for such a Congressman is classed in the same category; therefore no radical peace man considers himself eligible to Congress until the law is changed. Resolutions covering these points were adopted at the anniversary meeting yesterday. Reports from branch societies in various States were received, and addresses were made by Professor Taney, Lucretia Mott, Mrs. M. S. Townsend and others.—N. Y. Post.

AN EXTRAORDINARY GAMBLER.—One of the events of the day, in polite circles, is the extraordinary success of Khamil Bey, the Turkish Secretary of Legation, at the gaming table in the "Cerele des Montards." He has won the enormous sum of 7,000,000 francs in a fortnight. Every one of the aristocratic members of the French Empire is penniless, and the Eastern barbarian goes there every night with provoking coolness to offer them "their revenge," knowing that his adversaries can scarcely make up a thousand francs to bank against him.—Paris letter.

COGAN, 15, North Royal Street, offers for sale Lamps in great variety, from the little Tom Thumb, to the most magnificent Parlor Lamp; Cut, Ground and Plain Globes; Chimneys, all kinds and sizes; Brushes, Wick, and all other goods in the trade, at the most reasonable prices. REMEMBER. 502

"Tell me, ye winged winds,
That round my pathway roar,
Is there a place on earth
That beats the New Shoe Store?"

Tell me, ye ladies, fair,
Who so benignly smile,
Do you wish goods cheap and rare,
Of very attractive style?

Then go to Five Hundred Two,
Of Washington's Seventh street,
And take deliberate view,
Of raiment for your feet.

There are Boots, both coarse and fine,
And Shoes of the latest style;
If once you purchase "on that line,"
You'll deal there all the while.

Now, Wilson is a truthful man,
He sells no flimsy trash;
He'll please you well, I know he can;
His plan of selling is cash.

GUANO AND FERTILIZERS.
The subscriber has on hand a full assortment of the most approved MANURES, which he is prepared to sell in any quantity desired, at the LOWEST MARKET RATES.

As the prices are uniform the farmer can obtain supplies as well by correspondence as though he were to purchase in person.

I OFFER:
Peruvian Guano, of the best quality.

Bolivian Guano. This article comes from the same section as Peruvian, which it closely resembles in texture and appearance. It is much richer in Phosphate, but has less Ammonia. For stiff soils or stiff sub-soils it will answer quite as well as Peruvian, and it costs but two-thirds the price of that article.

Mexican Guano, of four grades.

Ground Bones. Whitecock's Cerealizer. The high reputation borne by this article as the most effective and reliable crop producer made in the United States, induces me to ask the farmer to test it on a small portion of his manure he may apply.

Woolston's Ammoniated Bone Phosphate. This article is manufactured by the same house, and contains all the best qualities of Peruvian Guano and Ground Bones. WM. H. IRWIN, No. 25, King street, bet. Water & Union, ap 18-1m Alexandria, Va.

BAUGH'S RAW BONE PHOSPHATE.
I am the only agent in Alexandria, Va., for the pure and genuine Baugh's Raw Bone Phosphate, for sale by me in large and small quantities. Also, WHANN'S PURE RAW BONE PHOSPHATE, manufactured by Valton & Whann. ANDREW COE'S DECOMPOSED ANIMAL AMMONIATED PHOSPHATE. RHODES' PHOSPHATE. BUCKEYE REAPER AND MOWER, in Loudoun, Fauquier, Prince William and Fairfax counties.

Headquarters for McCormick's Reaper and Hubbard's Reaper and Mower. Garden Seeds, &c. W. H. MAY, Alexandria, Va. ap 13-1m

GUANO.—REED'S AMMONIATED SUPERPHOSPHATE OF LIME. The best superphosphate yet offered to the farmer, possessing all the activity of Peruvian Guano, but being far more durable in its effects.

It contains a large amount of animal matter in a highly concentrated form, which, combined with its soluble bone phosphate of lime, cannot fail to render it very valuable as a fertilizer. Notwithstanding we believe it to be the best super-phosphate in the market, yet, by a process peculiar in its manufacture, whereby the expenses are lessened, we are enabled to sell it very low, with a liberal discount to dealers.
